Good morning,

Will Church please consider paying \$40 for the website domain: crccoutreach.com?

An update on "Project Outreach".

Its coming a long well! Mrs. Madewell, Mathias, and Krisitin are helping me with different aspects of the presentation such as the PowerPoint, the website, and an outreach poster. I've met with Ben, Angela, Joel, and Keri to share "Project outreach", to get their feedback, and to get their ideas.

Here is a link to the website:

crccoutreach.weebly.com

The idea is to take off the "Weebly" part, and this means buying the domain through the Weebly website. We would have full ownership of the domain name for the year.

Have a great day!
